

THE COST OF LIVING AND GAMBLING HARM

SCENARIO CARDS

Cairo, 12 years old

Cairo has noticed that there is less food available and the house is always cold. Cairo's mum talks regularly about how winning big on the bingo (online) is only a matter of time. Cairo is worried as they have heard about gambling harms at school through a harm prevention session.

Parent/caregiver to Cairo 12 years old

You are really struggling to pay all the bills and a friend has told you to try online bingo and after all the adverts are always telling you about the money you can win!

Teacher/Youth Worker to Cairo 12 years old

You notice Cairo seems distracted and you overhear them talking about how they are worried about their mum. She is finding it difficult to find enough money to pay all the bills, including rising food costs, and has started to gamble more on bingo online.
